

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 27, 2020

Mr. Victor Flores
Assistant City Attorney
City of Plano
P.O. Box 860358
Plano, Texas 75086-0358

OR2020-02418

Dear Mr. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 808160 (City File No. AS-M001824).

The City of Plano (the "city") received a request for information related to a specified incident.¹ You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

¹ We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, *writ ref'd n.r.e.*); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

You state, and provide documentation demonstrating, the instant request for information relates to a pending criminal prosecution in the Plano Municipal Court involving the city's animal services department. You state the submitted information is related to the pending prosecution. Based on your representations, the submitted documentation, and our review of the submitted information, we find litigation was pending when the city received this request for information, and the submitted information is related to the pending litigation for the purposes of section 552.103.

We note, however, the opposing party to the pending litigation has seen or had access to the Waiver and Release of Liability For Quarantine Animal form. The purpose of section 552.103 of the Government Code is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to the litigation to obtain such information through discovery procedures. *See* ORD 551 at 4-5. Thus, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Accordingly, the city may not withhold the information seen by the opposing party, which we have marked, under section 552.103 of the Government Code. However, the city may withhold the remaining information not seen by the opposing party under section 552.103 of the Government Code. We note the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982). As you raise no further exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
