

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

January 27, 2020

Ms. Amy L. Sims  
Assistant City Attorney  
City of Lubbock  
P.O. Box 2000  
Lubbock, Texas 79457

OR2020-02435

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 808089 (ORR# 2596).

The City of Lubbock (the "city") received a request for accident and maintenance reports for a specified date and specified insurance policies. The city claims the submitted information is excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. The city raises section 552.101 in conjunction with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") for portions of the submitted information. At the direction of Congress, the Secretary of Health and Human Services ("HHS") promulgated regulations setting privacy standards for medical records, which HHS issued as the Federal Standards for Privacy of Individually Identifiable Health Information. *See* HIPAA, 42 U.S.C. § 1320d-2 (Supp. IV 1998) (historical & statutory note); Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Pts. 160, 164 ("Privacy Rule"); *see also* Attorney General Opinion JC-0508 at 2 (2002). These standards govern the releasability of protected health information by a covered entity. *See* 45 C.F.R. pts. 160, 164. Under these standards, a covered entity may not use or disclose protected health information, excepted as provided by parts 160 and 164 of the Code of Federal Regulations. 45 C.F.R. § 164.502(a).

This office has addressed the interplay of the Privacy Rule and the Act. Open Records Decision No. 681 (2004). In that decision, we noted section 164.512 of title 45 of the Code of Federal Regulations provides a covered entity may use or disclose protected health information to the extent such use or disclosure is required by law and the use or disclosure complies with and is limited to the relevant requirements of such law. *See* 45 C.F.R. § 164.512(a)(1). We further noted the Act “is a mandate in Texas law that compels Texas governmental bodies to disclose information to the public.” *See* ORD 681 at 8; *see also* Gov’t Code §§ 552.002, .003, .021. We therefore held the disclosures under the Act come within section 164.512(a). Consequently, the Privacy Rule does not make information confidential for the purpose of section 552.101 of the Government Code. *See Abbott v Tex. Dep’t of Mental Health & Mental Retardation*, 212 S.W.3d 648 (Tex. App.—Austin 2006, no pet.); ORD 681 at 9 (2004); *see also* Open Records Decision No. 478 (1987) (as general rule, statutory confidentiality requires express language making information confidential). Because the Privacy Rule does not make confidential information that is subject to disclosure under the Act, the city may not withhold any portion of the information at issue under section 552.101 in conjunction with HIPAA.

Section 552.101 of the Government Code also encompasses information made confidential by the Medical Practice Act (“MPA”), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient’s behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We have further found when a file is created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990). Upon review, we find the city has not demonstrated any portion of the submitted information consists of medical records

for purposes of the MPA, and the city may not withhold any of the submitted information under section 552.101 on that basis.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold the public citizen's date of birth we marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code.

In summary, the city must withhold the public citizen's date of birth we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code. The city must release the remaining information to this requestor.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup> We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the city receives another request for the same information from a different requestor, the city must again seek a decision from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
