Re: Request for ORR# R219-01344

Dear Ms. Courtney:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 808478 (ORR# R219-01344).

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion.¹ In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining information must be withheld from the requestor. Upon review of your arguments and the remaining information, we conclude you must withhold the remaining information pursuant to section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open->

¹ We note you did not comply with the requirements of section 552.301 of the Government Code. *See* Gov't Code § 552.301(e). Nevertheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301, we will consider whether the submitted information must be withheld on that ground.
