

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

January 30, 2020

Mr. W. Montgomery Meitler
Senior Counsel, Office of Legal Services
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2020-02906

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 816033 (TEA PIR# 40869).

The Texas Education Agency ("TEA") received a request for a specified investigation file involving a named educator. You state you will release some information to the requestor. You also state you will withhold student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is privileged under Texas Rule of Civil Procedure 192.5. We have considered your argument and reviewed the submitted representative sample of information.²

TEA acknowledges the submitted information consists of a completed investigation that is subject to section 552.022 of the Government Code. Section 552.022(a)(1) provides for required public disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body" unless the information is excepted from disclosure

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/files/og/20060725usdoe.pdf>.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

under section 552.108 of the Government Code or expressly confidential under the Act or “other law.” Gov’t Code § 552.022(a)(1). The Texas Supreme Court has held the Texas Rules of Civil Procedure are “other law” for the purposes of section 552.022. *See In re City of Georgetown*, 53 S.W.3d 328, 337 (Tex. 2001). Accordingly, we will address TEA’s claim under Texas Rule of Civil Procedure 192.5.

Rule 192.5 encompasses the attorney work product privilege. Rule 192.5 defines work product as

- (1) material prepared or mental impressions developed in anticipation of litigation or for trial by or for a party or a party’s representatives, including the party’s attorneys, consultants, sureties, indemnitors, insurers, employees, or agents; or
- (2) a communication made in anticipation of litigation or for trial between a party and the party’s representatives or among a party’s representatives, including the party’s attorneys, consultants, sureties, indemnitors, insurers, employees or agents.

TEX. R. CIV. P. 192.5(a). A governmental body seeking to withhold information under this exception bears the burden of demonstrating the information was created or developed for trial or in anticipation of litigation by or for a party or a party’s representative. *Id.* 192.5; Open Records Decision No. 677 at 6-8 (2002). In order for this office to conclude the information was made or developed in anticipation of litigation, we must be satisfied that

- a) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation that there was a substantial chance that litigation would ensue; and b) the party resisting discovery believed in good faith that there was a substantial chance that litigation would ensue and [created or obtained the information] for the purpose of preparing for such litigation.

Nat’l Tank Co. v. Brotherton, 851 S.W.2d 193, 207 (Tex. 1993). A “substantial chance” of litigation does not mean a statistical probability, but rather “that litigation is more than merely an abstract possibility or unwarranted fear.” *Id.* at 204; ORR 677 at 7.

Furthermore, if a requestor seeks a governmental body’s entire litigation file, the governmental body may assert the file is excepted from disclosure in its entirety because such a request implicates the attorney work product privilege. *See* ORR 677 at 5-6. Thus, in such a situation, if the governmental body demonstrates the file was created in anticipation of litigation, this office will presume the entire file is within the scope of the privilege. *See* Open Records Decision No. 647 at 5 (1996) (organization of attorney’s litigation file necessarily reflects attorney’s thought processes (citing *Nat’l Union Fire Ins. Co. v. Valdez*, 863 S.W.2d 458, 461 (Tex. 1993))); *see also* *Curry v. Walker*, 873 S.W.2d 379, 380 (Tex. 1994) (holding “the decision as to what to include in [the file] necessarily reveals the attorney’s thought processes concerning the prosecution or defense of the case”).

TEA inform us it “regulates and oversees all aspects of the certification, continuing education, and enforcement of standards of conduct for certified educators in Texas public schools under the authority of [c]hapter 21 of the Education Code.” *See* Educ. Code §§ 21.031(a), .041. TEA also explains it litigates enforcement proceedings under the Administrative Procedure Act (the “APA”), chapter 2001 of the Government Code. *See id.* § 21.041(b)(7); 19 T.A.C. § 249.3. TEA states the submitted information consists of the entire case file pertaining to its investigation of alleged educator misconduct. It also states the file was created by attorneys, legal staff, and other representatives of TEA in anticipation of litigation. Based on these representations, we conclude TEA may withhold the submitted information as attorney work product under Texas Rule of Civil Procedure 192.5.

Finally, TEA asks this office to issue a previous determination permitting the agency to withhold certain information under Texas Rule of Civil Procedure 192.5 without the necessity of requesting a decision under section 552.301 of the Government Code. *See* Gov’t Code § 552.301(a) (allowing a governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Meagan Hunter
Assistant Attorney General
Open Records Division
