Mr. Christopher Gregg
Counsel for the City of Webster
Gregg & Gregg, P.C.

OR2020-02911

Dear Mr. Gregg:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 809232 (ORR# CH-248-2019).

The City of Webster (the "city"), which you represent, received a request for the architectural, civil, and structural maps for a specified address. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the proprietary interests of the Lawrence Group. Accordingly, you state, and provide documentation showing, you notified the Lawrence Group of the request and its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from the Lawrence Group. Thus, we have no basis to conclude the Lawrence Group has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party

must establish prima facie case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the submitted information on the basis of any proprietary interest the Lawrence Group may have in the information. As we have received no arguments against disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Emily Kunst
