Ms. Leigh Ann Tognetti
Assistant District Attorney
Hidalgo County
100 East Cano Street
Edinburg, Texas 78539

OR2020-03402

Dear Ms. Tognetti:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 810443 (2019-0202-DA.CO).

The Hidalgo County Elections Administration Office (the "county") received a request for information pertaining to a specified election. You state the county will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 66.058 of the Election Code, which provides, in relevant part:

(a) Except as otherwise provided by this code, the precinct election records shall be preserved by the authority to whom they are distributed for at least 22 months after election day.

(b) For a period of at least 60 days after the date of the election, the voted ballots shall be preserved securely in a locked room in the locked ballot box in which they are delivered to the general custodian of election records.

¹ We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

...

(b-1) Except as permitted by this code, a ballot box or other secure container containing voted ballots may not be opened during the preservation period.

...

(g) Electronic records created under Chapter 129 shall be preserved in a secure container.

Elec. Code § 66.058 (a)-(b-1), (g). “Precinct election records” means the precinct election returns, voted ballots, and other records of an election that are assembled and distributed under chapter 66 of the Election Code. *See id.* § 66.002; *see also id.* §§ 121.001 (noting other provisions of this code apply to an election in which a voting system is used), 127.132 (explaining voted ballots, election returns, and other election records of an electronic voting system shall be delivered to authorities who receive corresponding records from precinct polling places using regular paper ballots), 129.001 (stating chapter 129 applies to voting system that uses direct recording electronic voting machines and, to extent possible, procedures applicable to electronic voting system under chapter 127 are applicable to voting system under chapter 129). You assert the submitted information constitutes precinct election records made confidential by section 66.058. Upon review, we agree the information at issue is subject to section 66.058.

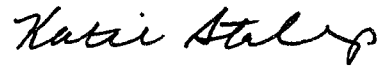

The Election Code authorizes access to election records during the preservation period for several purposes, including, for example, recounts, election contests, criminal investigations, and counts conducted pursuant to chapter 127 of the Election Code. *See* Open Records Decision No. 505 at 2 n.2 (1988). We have no indication the Election Code authorizes access to the submitted information in this case. Thus, the information is not subject to disclosure under the Act until the preservation period has run. Therefore, pursuant to section 66.058(a) of the Election Code, the information at issue is confidential for at least 22 months after election day. *See* Elec. Code § 66.058(a). Accordingly, the county must withhold the submitted information under section 552.101 of the Government Code on that basis for the duration of the preservation period. After this period, the information at issue is subject to public disclosure. *See* ORD 505 at 4 (request made during preservation period to inspect voted ballots must be treated as request to inspect ballots when retention period expires).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
