

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 6, 2020

Mr. Patrick Vollmer
Assistance General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2020-03536

Dear Mr. Vollmer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID#810563 (OGC Nos. PP0147 and PP0175).

The Texas Department of Criminal Justice (the "department") received two requests from the same requestor for information pertaining to inmate suicides, suicide attempts, and deaths resulting from heat-related illnesses during a specified time period at a specified unit. You claim the submitted information is excepted from disclosure under sections 552.108, 552.134, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.134(a) of the Government Code relates to inmates of the department and provides the following:

Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.134(a). Section 552.134 is explicitly made subject to section 552.029, which provides, in relevant part, the following:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

. . .

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

Id. § 552.029(8). Upon review, we agree the submitted information constitutes information about an inmate for purposes of section 552.134. However, a portion of the information at issue pertains to the death of an inmate in custody. Thus, pursuant to section 552.029, the department must release basic information from the information at issue. Basic information includes the time and place of the incident, names of inmates and department officials directly involved, a brief narrative of the incident, a brief description of any injuries sustained, and information regarding criminal charges or disciplinary actions filed as a result of the incident. With the exception of basic information related to the death of the inmate in custody, which we have indicated, the department must withhold the remaining information under section 552.134 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Britni Ramirez
