

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 10, 2020

Mr. Brandon R. Oates
Counsel for the Hill Country Transit District
Haley Olson
100 North Ritchie Road, Suite 200
Waco, Texas 76712

OR2020-03962

Dear Mr. Oates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 810997.

The Hill Country Transit District (the "district"), which you represent, received a request for ten categories of information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that you have not submitted information responsive to all ten categories of information requested in response to the request. To the extent any additional responsive information existed on the date the district received this request, we assume you have released it. If you have not released any such records, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Next, we note the submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has

use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). The requestor is a person listed under section 550.065(c). Although you assert section 552.103 of the Government Code for this information, a statutory right of access prevails over the Act's general exceptions to public disclosure, including section 552.103. *See* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Thus, the district may not withhold the accident report under section 552.103. Accordingly, the district must release the CR-3 accident report in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

The district states, and provides documentation showing, a lawsuit styled *Lee v. Hill Country Transit Dist. d/b/a the HOP*, Cause No. 308,612-B, was pending against the district when it received the instant request for information. You state the remaining information is related to the pending lawsuit. Based on your representations, the submitted documentation, and our review of the remaining information, we find litigation was pending when the district received this request for information, and the submitted

information is related to the pending litigation for the purposes of section 552.103. Therefore, the district may withhold the remaining information under section 552.103(a) of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
