Dear Ms. Yarbrough:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 811531 (Ref. No. 30669).

The Texas Medical Board (the "board") received a request for two specified investigation files pertaining to a named individual. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

The board represents Exhibit 2 is confidential under section 164.007 and is subject to that previous determination. Upon review, we agree Exhibit 2 is confidential under section 164.007. Thus, pursuant to Open

<sup>1</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Records Letter No. 2007-03117, the board must withhold Exhibit 2 under section 552.101 of the Government Code in conjunction with section 164.007 of the Occupations Code.<sup>2</sup>
