Re: 2 requests for the names of certain sheriff's office employees and information pertaining to one of the requestors, a specified address, and a specified incident involving one of the requestors

Dear Mr. Latimer:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 811339.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You state you have released some of the requested information. We have also received and considered comments submitted by the first requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). In this instance, the first requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the first requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining information must be withheld from the requestors. Upon review of your arguments and the remaining information, we conclude you must withhold the remaining information pursuant to section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/open-government/governmental-bodies/open-records-memorandum-rulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
