Dear Ms. Hooper:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 811412 (ORR# C010939).

The City of Dallas (the "city") received a request for information pertaining to a specified animal. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note the city submitted a rabies document, but no other information responsive to the request. Thus, we find the submitted information is not representative of the other types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the type of information the city has submitted for our review. This ruling does not authorize the city to withhold any information that is substantially different from the type of information the city submitted to this office. *See* Gov't Code § 552.302. Accordingly, to the extent any information responsive to the remainder of the request for information existed in the possession of the city when it received the request, we assume the city has released that information to the requestor. *See* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible). If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 801.353 of the Occupations Code, which provides, in part, the following:

(a) A veterinarian may not violate the confidential relationship between the veterinarian and the veterinarian's client.

(b) A veterinarian may not be required to release information concerning the veterinarian's care of an animal, except on the veterinarian's receipt of:

- (1) a written authorization or other form of waiver executed by the client; or
- (2) an appropriate court order or subpoena.

Occ. Code § 801.353(a), (b). Section 801.353 limits a veterinarian's release of information concerning the veterinarian's care of an animal to certain circumstances. *See id.* The city states the submitted information consists of veterinary records of a veterinarian that it employs. The city further states it has not obtained permission from the owner or caretaker of the animal whose records are at issue to release the animal's records. *See id.* § 801.351(a)(1) (defining "client" as "owner or other caretaker of the animal"). Upon review, we conclude the submitted document is subject to chapter 801 of the Occupations Code. Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 801.353 of the Occupations Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

James L. Coggeshall
Assistant Attorney General
Open Records Division

JLC/gw

¹ As our ruling is dispositive, we do not address the other arguments of the city to withhold this information.
