ATTORNEY GENERAL OF TEXAS

Mr. Destry L. Wilson
Assistant Criminal District Attorney
Rockwall County
1111 Yellowjacket Lane, Suite 201
Rockwall, Texas 75087

Dear Mr. Wilson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 815921.

The Rockwall Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified employment application submitted by the requestor. You state the sheriff's office will release some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 411.083 of the Government Code, which pertains to criminal history record information ("CHRI"). CHRI generated by the National Crime Information Center ("NCIC") or by the Texas Crime Information Center ("TCIC") is confidential under federal and state law. CHRI means "information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions." *Id.* § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal

regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990); *see generally* Gov't Code ch. 411 subch. F. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1, of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411. We note, however, active warrant information or other information relating to an individual's current involvement in the criminal justice system does not constitute criminal history information for purposes of section 552.101. *See id.* § 411.081(b). We also note records relating to routine traffic violations are not considered criminal history information. *Cf. id.* § 411.082(2)(B) (criminal history record information does not include driving record information). You assert the submitted information is confidential under section 411.083 of the Government Code. Upon review, we find the information we marked consists of CHRI that is confidential under section 411.083. Thus, the sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.¹ However, we find you have failed to demonstrate the remaining information at issue consists of confidential CHRI. Therefore, the sheriff's office may not withhold any portion of the remaining information under section 552.101 of the Government Code on that basis. Accordingly, the sheriff's office must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹ We note the requestor can obtain his own CHRI from DPS. Gov't Code § 411.083(b)(3).

² We note the requestor has a right of access to some of the information being released in this instance. *See* Gov't Code § 552.023(a) ("person or a person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Accordingly, if the sheriff's office receives another request for this same information from a different requestor, the sheriff's office must again seek a ruling from this office.
