

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 12, 2020

Ms. Karen Strand
Senior Assistant City Attorney
City of Mesquite
P.O. Box 850137
Mesquite, Texas 75185-0137

OR2020-04419

Dear Ms. Strand:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 818357.

The Mesquite Police Department (the "department") received a request for DNA results pertaining to a specified case number. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 411.153(a) of the Government Code, which provides "[a] DNA record stored in the DNA database is confidential and is not subject to disclosure under the [Act]." *Id.* § 411.153(a). A "DNA record" means the results of a forensic DNA analysis performed by a DNA laboratory. *See id.* § 411.141(6)-(7). "Forensic analysis" is defined as "a medical, chemical, toxicologic, ballistic, or other expert examination or test performed on physical evidence, including DNA evidence, for the purpose of determining the connection of the evidence to a criminal action." Crim. Proc. Code art. 38.35(4); *see also* Gov't Code § 411.141(10) ("forensic analysis" has meaning assigned by article 38.35). A "DNA database" means "one or more databases that contain forensic DNA records maintained by the director of [the Department of Public Safety ("DPS")]." Gov't Code § 411.141(5); *see id.* § 411.001(3).

The director of DPS is required to establish certain procedures for DNA laboratories. *See id.* §§ 411.142(h) (requiring director establish standards for DNA analysis), .144(a). Section 411.144 of the Government Code provides a DNA laboratory conducting a forensic

DNA analysis under subchapter G of chapter 411 shall comply with subchapter G and the rules adopted under subchapter G. *See id.* § 411.144(d); 37 T.A.C. §§ 28.81, .82 (describing minimum standards by which forensic DNA laboratory must abide); *see also* Gov't Code § 411.147(b).

You state the submitted information consists of records relating to DNA analyses of samples collected under subchapter G of chapter 411 of the Government Code. You further state this information is the result of forensic DNA analyses performed by a DNA laboratory in accordance with DPS regulations. Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 411.153(a) of the Government Code. *See City of Fort Worth v. Abbott*, 258 S.W.3d 320, 328 (Tex. App.—Austin 2008, no pet.) (section 411.153 prohibits release of DNA records held by city forensic science laboratory regardless of whether records have been forwarded to DPS state DNA database).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Meredith L. Coffman
Assistant Attorney General
Open Records Division
