

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 13, 2020

Ms. Amy L. Sims
Deputy City Attorney
City of Lubbock
P.O. Box 2000
Lubbock, Texas 79457

OR2020-04584

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 818350 (File# 2650).

The Lubbock Police Department (the "department") received a request for information pertaining to a specified motor vehicle accident. The department claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

The information at issue includes a body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera video recording at issue pursuant to chapter 1701 of the Occupations Code, the department need not release such information.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.*

Some of the submitted information is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails and the department may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). The department states the remaining information pertains to an investigation that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information.

¹As we are able to make this determination, we need not address the city’s argument against disclosure of this information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). See Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, as the requestor did not properly request the submitted body worn camera video recording pursuant to chapter 1701 of the Occupations Code, the department need not release such information. The department must release the submitted accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

You also ask this office to issue a previous determination permitting the department to withhold information subject to section 552.108(a)(2) of the Government Code without seeking a ruling from this office. See Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Jesse Harvey
