Ms. Jennifer Burnett  
Senior Attorney & Public Information Coordinator  
The University of Texas System  
210 West 7th Street  
Austin, Texas 78701

OR2020-04851

Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 811825 (UT OGC Nos. 193586 and 194188).

The University of Texas at Arlington (the "university") received two requests from different requestors for the lease or purchase agreement for the university's postage equipment. Although the university takes no position as to whether the submitted information is excepted under the Act, the university states release of the submitted information may implicate the proprietary interests of Mail Finance, Inc. ("Mail"). Accordingly, the university states, and provides documentation showing, it notified Mail of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Mail explaining why the submitted information should not be released. Therefore, we have no basis to conclude Mail has a protected proprietary interest in the submitted information, and the university may not withhold any portion of it on that basis.

*See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the university must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Gerald Arismendez  
Assistant Attorney General
