

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 14, 2020

Mr. Daniel Delgado
Deputy Director
McAllen Housing Authority
2301 Jasmine Avenue
McAllen, Texas 78501

OR2020-04852

Dear Mr. Delgado:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 812451.

The McAllen Housing Authority (the "authority") received a request for information pertaining to a specified solicitation. The authority claims the submitted information is excepted from disclosure under section 552.104 of the Government Code.¹ We have considered the exception the authority claims.

We must address the authority's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). The authority received the request for

¹ Although the authority also raises section 552.305 of the Government Code, we note section 552.305 is not an exception to disclosure under the Act. Rather, section 552.305 provides the procedural requirements for notifying third parties that their interests may be affected by a request for information. *See* Gov't Code § 552.305.

information on November 12, 2019. As of this date, the authority has not submitted to this office a copy or representative sample of the information requested. Consequently, we conclude the authority failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the authority raises an exception to disclosure, because it has not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
