Dear Ms. Rattikin:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 811735.

The Southern Methodist University Police Department (the "department") received a request for name of the individual in a specified report. You claim the responsive information is not subject to the Act. We have considered the submitted arguments and reviewed the submitted information.

Section 51.212(f) of the Education Code reads as follows:

A campus police department of a private institution of higher education is a law enforcement agency and a governmental body for purposes of [the Act], only with respect to information relating solely to law enforcement activities.

Educ. Code § 51.212(f). We understand the department is a campus police department of a private institution of higher education. *See id.* §§ 51.212(e), 61.003. Thus, the department is a governmental body for purposes of the Act, and information maintained by the department is subject to disclosure under the Act, to the extent such information relates solely to law enforcement activities. You state the submitted report is maintained by the department. However, you represent the report at issue was not created for a law enforcement purpose. Rather, you argue the information at issue consists of administrative information that is handled through the Division of Student Affairs and the Office of Institutional Access and Equity of Southern Methodist University. You explain the report

at issue is an "Administrative Information Report" and is not related to any law enforcement activity by the department. You state the report at issue was provided to the department solely as administrative information as it relates to an individual affiliated with Southern Methodist University. Upon review, we agree the information at issue is administrative in nature and does not relate solely to law enforcement activities. *See id* § 51.212(f). Accordingly, we find the responsive information is not subject to disclosure pursuant to section 51.212(f) of the Education Code and need not be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
