OR2020-05243

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 812302 (CCPD File Number JAmb1).

The Corpus Christi Police Department (the "department") received a request for body worn camera footage for a particular arrest. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of a recording from a police officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor in this instance provided the requisite information. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). The department asserts the submitted recording is confidential under section 1701.661(f) because it was made in a private space. However, we find the recording was not made in a private space for purposes of section 1701.661(f). *See id.*; *see also id.* § 1701.651(3) (defining “private space” for purposes of section 1701.661(f)). The department also argues the submitted recording involves an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest as a result of that conduct. Upon review, we find the department failed to establish the applicability of section 1701.661(f) to the recording at issue and it may be withheld under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find the information we have indicated satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the department must withhold the information we have indicated under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ *See* Gov’t Code § 552.130. We note section 552.130 protects privacy interests. Accordingly, the requestor has a right of access to his motor vehicle record information pursuant to section 552.023 of the Government Code and it may not be withheld from him. *See id.* § 552.023(a) (“person or a person’s authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person’s privacy interests”); ORD 481 at 4 (privacy theories not implicated when individual requests information concerning herself). Therefore, with the exception of the information pertaining to the requestor, the department must withhold the visible license plates and registration stickers under section 552.130 of the Government Code.

In summary, the department must withhold the information we have indicated under section 552.101 of the Government Code in conjunction with common-law privacy. With the exception of the information pertaining to the requestor, the department must withhold the

visible license plates and registration stickers under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
