ATTORNEY GENERAL OF TEXAS

February 21, 2020

Ms. Taylor Floyd
Assistant City Attorney
City of Dallas
1500 Marilla Street, 7DN
Dallas, Texas 75201

OR2020-05606

Dear Ms. Floyd:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 812984 (COD ORR# C010859-112019).

The City of Dallas (the "city") received a request for information pertaining to violations of the city's paid sick leave ordinance during a specified time period.¹ The city informs us it will release some information to the requestor. The city states it will withhold certain information pursuant to Open Records Decision No. 684 (2009).² The city claims the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception the city claims and reviewed the submitted representative sample of information.³

¹ The city states, and provides documentation showing, it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including personal e-mail addresses under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision. *See* ORD 684.

³ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body claiming section 552.103 has the burden of providing relevant facts and documents sufficient to establish the applicability of section 552.103 to the information it seeks to withhold. To meet this burden, the governmental body must demonstrate: (1) litigation was pending or reasonably anticipated on the date of its receipt of the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.). Both elements of the test must be met in order for information to be excepted from disclosure under section 552.103. *See Open Records Decision No. 551 at 4 (1990).*

The city states, and provides documentation showing, prior to the city's receipt of the instant request, a lawsuit styled *ESI/Employee Solutions, LP v. City of Dallas*, No. 4:19-cv-00570-ALM, was filed and is currently pending against the city in the United States District Court for the Eastern District of Texas, Sherman Division. Therefore, we agree litigation was pending on the date the city received the present request for information. The city also states the information at issue pertains to the substance of the lawsuit claims. Based on the city's representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the city may withhold the submitted information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See Open Records Decision Nos. 349 (1982), 320 (1982).* Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the

letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
