Mr. Barry L. Macha
General Counsel
Midwestern State University

Dear Mr. Macha:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 813035.

Midwestern State University (the "university") received a request for information pertaining to a specified request for proposals. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the information may implicate the proprietary interests of Contract Paper Group, Inc.; Globe Office Products; Green Dream International LLC; Interstate Business Solutions; M.A.N.S. Distributors Inc.; Mayfield Paper Company ("Mayfield"); Office Depot; Olmsted-Kirk Company; Quill LLC; and Security Operations Group International. Accordingly, you state, and provide documentation showing, the university notified these third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Mayfield stating that it does not object to the disclosure of any of the submitted information. We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't

Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any of the remaining third parties explaining why the submitted information should not be released. Therefore, we have no basis to conclude any of these third parties has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the university may not withhold any of the submitted information on the basis of any proprietary interest any of the remaining third parties may have in the information. As no exceptions to disclosure have been raised, the university must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
