Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 820651.

VIA Metropolitan Transit ("VIA") received a request for the make, model, year, and vehicle identification numbers of specified vehicles. You claim portions of the submitted information are excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor only seeks the make, model, year, and vehicle identification numbers related to the specified vehicles. Accordingly, the remaining submitted information is not responsive to the instant request. Thus, VIA need not release non-responsive information in response to this request, and this ruling will not address that information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. Accordingly, VIA must withhold the responsive motor vehicle record information we have marked under section 552.130 of the Government Code. As you raise no further exceptions to disclosure, VIA must release the remaining responsive information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
