ATTORNEY GENERAL OF TEXAS

Ms. Morgan Day Vaughan  
Counsel for the Garza County Sheriff's Office  
Crenshaw Dupree & Milam, L.L.P.  
P. O. Box 64479

OR2020-06035

Dear Ms. Vaughan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 813350 (CD&M No. 54037.75463).

The Garza County Sheriff's Office (the "sheriff's office"), which you represent, received a request for information pertaining to a specified incident, a named officer, and the policies and procedures for the use of a taser. You claim some of the submitted information is not subject to the Act. You also claim some of the submitted information is excepted from disclosure under sections 552.101, 552.103, and 552.108 of the Government Code. We have considered your arguments and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note you have not submitted information responsive to the portion of the request seeking the policies and procedures pertaining to the use of a taser. Although you state the sheriff's office has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the sheriff's office to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code

---

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

§ 552.301, information at issue is presumed to be public). Accordingly, to the extent any information responsive to the portion of the request seeking the policies and procedures pertaining to the use of a taser existed on the date the sheriff's office received the request, we assume the sheriff's office has released it. If the sheriff's office has not released any such information, it must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
  - (A) owns the information;
  - (B) has a right of access to the information; or
  - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.<sup>2</sup>

<sup>2</sup> As we are able to make this determination, we need not address the remaining arguments against disclosure of this information.

Next, we note the remaining information includes officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.<sup>3</sup> However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). The remaining information in Exhibit B was used or developed in an investigation conducted under chapter 261 of the Family Code, so as to fall within the scope of section 261.201(a). *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not

<sup>3</sup> As we are able to make this determination, we need not address the remaining arguments against disclosure of this information.

had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. As you do not indicate the sheriff’s office has adopted a rule that governs the release of this type of information, we assume no such regulation exists. Given that assumption, and based on our review, we determine the remaining information in Exhibit B must be withheld in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.<sup>4</sup>

In summary, the officer’s TCOLE number is not subject to the Act and need not be released. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupation Code, our ruling does not reach this information and it need not be released. The sheriff’s office must withhold the remaining information in Exhibit B under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. The sheriff’s office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
