ATTORNEY GENERAL OF TEXAS

February 26, 2020

Ms. LaNetra S. Lary
Assistant County Attorney
Fort Bend County
401 Jackson Street, 3rd Floor
Richmond, Texas 77469

OR2020-06105

Dear Ms. Lary:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 814418.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for a specified incident report. The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part, the following:

- (a) A communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(a)-(b). The submitted information does not contain a communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient. *See id.* § 773.091(a). It also does not contain a record of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that was created by the emergency medical services personnel or physician or maintained by an emergency medical services provider. *See id.* § 773.091(b). Accordingly, none of the information is confidential under section 773.091, and the sheriff's office may not withhold it under section 552.101 of the Government Code on that ground.

Section 552.101 of the Government Code also encompasses chapter 411 of the Government Code, which pertains to criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code makes CHRI the Texas Department of Public Safety ("DPS") maintains confidential, except DPS may disseminate this information as provided in subchapters E-1 and F of chapter 411 of the Government Code. *See Gov't Code* § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for criminal justice purposes. *See id.* § 411.083(b)(1), .089. The submitted information contains a Federal Bureau of Investigation ("FBI") number that constitutes CHRI generated by the FBI. Therefore, the sheriff's office must withhold the submitted FBI number under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.²

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The requestor has a right of access to his own date of birth pursuant to section 552.023 of the Government Code. *See Gov't Code* § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Nevertheless, the sheriff's office must withhold the date of birth

² We note individuals may obtain their own criminal record history information from DPS. *See Gov't Code* § 411.083(b)(3).

of the reporting party at issue in the submitted report under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Because section 552.130 protects personal privacy, the requestor has a right of access to his own motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a); ORD 481 at 4. However, the sheriff's office must withhold the reporting party's driver's license number and issuing state under section 552.130 of the Government Code.

In summary, the sheriff's office must withhold the submitted FBI number under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The sheriff's office must withhold the date of birth of the reporting party at issue in the submitted report under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must also withhold the reporting party's driver's license number and issuing state under section 552.130 of the Government Code. The sheriff's office must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

James L. Coggeshall
Assistant Attorney General
Open Records Division

³ We note the information at issue contains social security numbers. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. *See* Gov't Code § 552.147(b). However, the requestor has a right to his own social security number. *See id.* § 552.023(b) (governmental body may not deny access to person to whom information relates, or that person's representative, solely on grounds that information is considered confidential by privacy principles).
