

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 26, 2020

Ms. Charla Thomas
Assistant City Attorney
City of Temple
2 North Main Street, Suite 308
Temple, Texas 76501

OR2020-06141

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 820906.

The City of Temple (the "city") received a request for information pertaining to a specified incident. You claim the submitted information was not properly requested under chapter 1701 of the Occupations Code. You also claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a) for some of the submitted body worn camera videos. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). Further, we note the requestor provided the requisite information under section 1701.661(a) for the remaining body worn camera recordings. Accordingly, the requestor properly requested the body worn camera recordings at issue. However, section 1701.661(f) of the Occupations Code provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). You state the remaining recordings pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state you have not received a written authorization for release from all of the subjects of the recordings. *See id.* Accordingly, we find the city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

In summary, as the requestor did not properly request some of the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
