Ms. Teresa L. Presley

Dear Ms. Presley:

Our office issued a letter on January 3, 2020. We have examined our letter and determined that there was an error. Where this office determines an error was made in the decision process under sections 552.301 and 552.306 of the Government Code, and that error resulted in an incorrect decision, we will correct the previously issued letter. Consequently, this decision serves as the corrected ruling and is a substitute for the letter issued on January 3, 2020. *See generally* Gov't Code § 552.011 (providing Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act")). Your request was assigned ID# 819796.

The Frisco Police Department (the "department") received a request for recordings related to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a) for the submitted body worn camera recordings. As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a) of the Government Code excepts from disclosure “[I]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue pertains to a pending criminal investigation. Based upon this representation, we conclude section 552.108(a)(1) is applicable, and the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
