

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 3, 2020

Mr. Neal Falgoust
Assistant City Attorney
City of Austin
P.O. Box 1088
Austin, Texas 78767

OR2020-06631

Dear Mr. Falgoust:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 814314 (ORR# C053832).

The City of Austin (the "city") received two requests from different requestors for a list of events held at the Austin Central Library's Special Events Center. The city claims some of the submitted information is excepted from disclosure under section 552.124 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.124 of the Government Code makes confidential, with certain exceptions that are not applicable here, "[a] record of a library or library system, supported in whole or in part by public funds, that identifies or serves to identify a person who requested, obtained, or used a library material or service[.]" Gov't Code § 552.124(a)-(b); *see also* Open Records Decision No. 100 at 3 (1975) (identifying information of library patrons in connection with object of their attentions is confidential by constitutional law). We note only names, addresses, and other information specifically identifying library patrons may be withheld under section 552.124. *See* Open Records Decision No. 649 at 3 (1996)

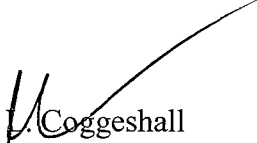

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(confidentiality provisions strictly construed). The city informs us the information it has marked identifies individuals who used library services. Based on this representation, we find the city must withhold the information it has marked under section 552.124 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

James J. Coggeshall
Assistant Attorney General
Open Records Division
