Dear Ms. Henry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 821921 (ORR# P006640-012820).

The City of Plano (the "city") received a request for information pertaining to two specified incidents. You state you released some information. You also state you have no information responsive to a portion of the request.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requested information contains department body worn camera video recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

---

<sup>1</sup> The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a) for some of the submitted body worn camera video. As the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). Further, we note the requestor provided the requisite information under section 1701.661(a) for the remaining body worn camera video. Accordingly, the requestor properly requested a portion of the submitted body worn camera video, and we will consider the department’s argument against disclosure of this information.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city states the remaining information relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the remaining information. Thus, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, as the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open>
