

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 4, 2020

Mr. Zachary Brown
Assistant City Attorney
City of Austin
P.O. Box 1088
Austin, Texas 78767

OR2020-06731

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 814935 (PIR No. C052783).

The City of Austin (the "city") received a request for communications between the city mayor and a named individual during a specified time period.¹ You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section

¹ We note the city received clarification of the request. *See* Gov't Code § 552.222(b) (providing that if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when governmental entity, acting in good faith, requests clarification or narrowing of unclear or overbroad request for public information, ten-day period to request attorney general ruling is measured from date request is clarified or narrowed).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, orig. proceeding); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, orig. proceeding). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. ORD 615 at 5; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Texas Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). However, a governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. ORD 615 at 5-6; *see also Dallas Morning News*, 22 S.W.3d at 364 (section 552.111 not applicable to personnel-related communications that did not involve policymaking).

Further, section 552.111 does not generally except from disclosure facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist.*, 37 S.W.3d at 157; ORD 615 at 5. But, if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You state the submitted information consists of communications between city staff members. You state the communications pertain to policy issues pending before the city. Upon review, we find the information we have marked consists of advice, opinions, and recommendations pertaining to the policymaking matters of the city. Accordingly, the city may withhold the information we have marked under section 552.111 of the Government Code. However, the remaining information at issue either consists of factual information or consists of internal administrative matters that do not rise to the level of policymaking. Therefore, we conclude you have failed to demonstrate the remaining information at issue

constitutes internal communications containing advice, recommendations, or opinions reflecting the policymaking processes of the city. Consequently, the city may not withhold any of the remaining information under section 552.111 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
