ATTORNEY GENERAL OF TEXAS

March 4, 2020

Ms. Angela Hough  
Assistant General Counsel  
North Texas Tollway Authority  
5900 West Plano Parkway, Suite 100  
Plano, Texas 75093

OR2020-06825

Dear Ms. Hough:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 814769 (Ref. No. 2019-03343).

The North Texas Tollway Authority (the "authority") received a request for audio recordings, video recordings, and photos pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the authority has only submitted audio recordings pertaining to the specified incident. To the extent information responsive to the remainder of the request existed on the date the authority received the request, we assume you have released it. *See* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible). If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

Section 552.108 may be invoked by any proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You inform us the Texas Department of Public Safety (the “department”) objects to disclosure of the submitted information because its release would interfere with an ongoing criminal investigation. Based on these representations and our review, we conclude the authority may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the department. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
