Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 815179.

The Beaumont Police Department (the "department") received a request for information related to a specified incident involving a named individual. You state the department will release some information. You claim some of the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. You also claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered your arguments and reviewed the submitted information.

The submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov’t Code § 552.130(a). Upon review, we find some of the remaining video recordings, which we indicated, contain information subject to section 552.130. You state the department does not have the technological capability to redact the motor vehicle record information from the video files. Accordingly, the department must withhold the video recordings we indicated in their entirety under section 552.130 of the Government Code.² *See* Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must withhold the video recordings we indicated in their entirety under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
