Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2020-06864

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 814591 (ORR# W295839).

The City of San Antonio (the "city") received a request for a specified incident report. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses section 261.201 of the Family Code, which provides, in relevant part, as follows:

(a) [T]he following information is confidential, is not subject to public release under [the Act] and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

...

(k) Notwithstanding Subsection (a), an investigating agency, other than the [Texas Department of Family and Protective Services] or the Texas Juvenile Justice Department, on request, shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect, or to the child if the child is at least 18 years of age, information concerning the reported abuse or neglect that would otherwise be confidential under this section. The investigating agency shall withhold information under this subsection if the parent, managing conservator, or other legal representative of the child requesting the information is alleged to have committed the abuse or neglect.

(l) Before a child or a parent, managing conservator, or other legal representative of a child may inspect or copy a record or file concerning the child under Subsection (k), the custodian of the record or file must redact:

...

(2) any information that is excepted from required disclosure under [the Act], or other law[.]

Fam. Code § 261.201(a), (k), (l)(2). The city asserts the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect under chapter 261 of the Family Code. *See id.* §§ 101.003(a) (defining “child” for purposes of section 261.201), 261.001(1) (defining “abuse” for purposes of section 261.201). Upon review, we find the submitted information is within the scope of section 261.201(a). However, we note the requestor may represent a parent of the juvenile victims and this individual is not alleged to have committed the suspected abuse. Thus, we must rule conditionally. If the requestor does not represent a parent of the child victims, then the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. If the requestor represents a parent of the child victims, then the city may not withhold the submitted information from this requestor on the basis of section 261.201(a). *See id.* § 261.201(k). However, section 261.201(l)(2) states any information that is excepted from required disclosure under the Act or other law must be redacted. *Id.* § 261.201(l)(2). Therefore, in the event the requestor represents the parent at issue, we must determine whether the submitted information is otherwise excepted from release under the act.

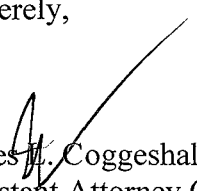

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ See Gov't Code § 552.130. The city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, if the requestor does not represent a parent of the child victims, then the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. If the requestor represents a parent of the child victims, then the city must withhold the information we have marked under section 552.130 of the Government Code, but release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
