Ms. Carolyn Olson
1st Assistant County Attorney
Colorado County

Dear Ms. Olson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 815768.

The Colorado County Sheriff's Office (the "sheriff's office") received a request for 1) three categories of information pertaining to a specified citation and 2) three categories of information pertaining to the sheriff's office deputy and emergency personnel involved in that citation. You state you do not have information responsive to some categories of the request.¹ You state you have released some information. You state the city will redact information subject to section 552.117(a)(2) of the Government Code in accordance with Open Records Decision No. 670 (2001), motor vehicle record information under section 552.130(c) of the Government Code, e-mail addresses under section 552.137 of the Government Code pursuant to Open Records Decision No. 684 (2009), and social security

¹ The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

numbers under section 552.147(b) of the Government Code.² You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the

² Open Records Decision No. 670 authorizes all governmental bodies to withhold the current and former home addresses and telephone numbers, personal cellular telephone and pager numbers, social security numbers, and family member information of peace officers under section 552.117(a)(2) of the Government Code without the necessity of requesting an attorney general decision. ORD 670 at 6. Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Open Records Decision No. 684 serves as a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including personal e-mail addresses under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision. *See* ORD 684. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b).

maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note some of the remaining information consists of the personnel file of a sheriff's office deputy. We note section 552.108 is generally not applicable to purely administrative records that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.). The sheriff's office states, however, the release of the remaining information would interfere with a criminal investigation and prosecution as the officer at issue is involved in the pending case, and the remaining information could be used to impeach the officer at trial. Based on this representation and our review, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.³

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.
