Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087

OR2020-07188

Dear Ms. Calcote:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 821905 (PIR# 20-0312).

The Department of Public Safety (the "department") received a request for information pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered your argument and reviewed the submitted representative sample of information.¹

Initially, we note you have submitted only video recordings pertaining to the specified motor vehicle accident. Although you state the department has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the department to withhold any information that is substantially different from the types of information you submitted to this office. *See*

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any additional information existed on the date the department received the request, we assume you have released it. If you have not released any such information, you must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to an active criminal case. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Jesse Harvey
