

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 6, 2020

Mr. Michael Chilson
Patrol Lieutenant
Quitman Police Department
401 South Main Street
Quitman, Texas 75783

OR2020-07236

Dear Mr. Chilson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 816200.

The Quitman Police Department (the "department") received a request for information related to a specified incident involving two named individuals. The department claims the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department cites to section 552.108(a)(1), but does not inform us the information at issue pertains to a specific ongoing criminal investigation or prosecution, nor has the department explained its release would interfere in some way with the detection, investigation, or prosecution of crime. Thus, the department has failed to demonstrate the applicability of section 552.108(a)(1) to the submitted information, and the department may not withhold any of the information on that basis.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the

common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the department must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130.* Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department must withhold all public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
