Ms. Jennifer Burnett
Senior Attorney & Public Information Coordinator
University of Texas System

Dear Ms. Burnett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 823852 (OGC# 195117).

The University of Texas at Austin (the "university") received a request for the names, telephone numbers, addresses, and e-mail addresses of donors to a specified school during a stated time period. You state the university will release some information. You claim the submitted information is excepted from disclosure under section 552.1235 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.1235 of the Government Code excepts from disclosure "[t]he name or other information that would tend to disclose the identity of a person, other than a governmental body, who makes a gift, grant, or donation of money or property to an institution of higher education[.]" Gov't Code § 552.1235(a). For purposes of this exception, "institution of higher education" is defined by section 61.003 of the Education Code. *Id.* § 552.1235(c). Section 61.003 defines an "institution of higher education" as meaning "any public technical institute, public junior college, public senior college or university, medical or dental unit, public state college, or other agency of higher education as defined in this section." Educ. Code § 61.003(8). Because section 552.1235 does not provide a definition of "person," we look to the definition provided in the Code Construction Act. *See* Gov't Code § 311.005. "Person" includes a corporation, organization, government or governmental subdivision or agency, business trust, estate, trust, partnership, association, and any other legal entity. *Id.* § 311.005(2). You state the submitted information identifies

donors to the university. You state the donors at issue have not consented to release of their identifying information. Thus, the university must withhold the submitted information under section 552.1235 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
