

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 11, 2020

Mr. David V. Overcash
Counsel for the City of Anna
Wolfe, Tidwell & McCoy, LLP
2591 Dallas Parkway, Suite 300
Frisco, Texas 75034

OR2020-07726

Dear Mr. Overcash:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 815966 (File No. W002206-121319).

The City of Anna (the "city"), which you represent, received a request for information pertaining to a specified incident. You state the city is releasing some information, but will withhold public citizens' dates of birth pursuant to Open Records Letter No. 2019-14751 (2019).¹ You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

¹ Open Records Letter No. 2019-14751 authorizes the city to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 at 7-8 (2001).

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

The remaining information includes a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor has not demonstrated she is a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code.³ Section 550.065(c-1) requires the city to create redacted accident reports that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to

the redacted accident report. Accordingly, the city must release the redacted CR-3 accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the remaining video recordings contain information subject to section 552.130. You state the city does not have the technological capability to redact the motor vehicle record information from the video recordings. Accordingly, the city must withhold the remaining video recordings in their entirety under section 552.130 of the Government Code.⁴ See Open Records Decision No. 364 (1983).

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the submitted CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. The city must withhold the remaining video recordings in their entirety under section 552.130 of the Government Code.
