OR2020-08370

Dear Ms. Godden:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 817251 (ID# E001127-121119).

The Edinburg Consolidated Independent School District (the "district"), which you represent, received a request for all records, excepting personnel records, pertaining to a named individual. You state the district will redact information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g(a).¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. You also state you notified the Texas Education Agency (the "TEA") of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the TEA. We have considered the submitted arguments and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.*

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

§ 552.101. This exception encompasses information other statutes make confidential, such as section 21.062 of the Education Code. Section 21.062 provides, in relevant part:

(a) During an investigation by the commissioner for an alleged incident of misconduct, the commissioner may issue a subpoena to compel:

...

(2) the production, for inspection or copying, of relevant evidence that is located in this state.

...

(d) All information and materials subpoenaed or compiled in connection with an investigation described by Subsection (a) are confidential and not subject to disclosure under [the Act].

Educ. Code § 21.062(a)(2), (d); *see id.* §§ 5.001(3) (“commissioner” means the commissioner of education), 21.001(1) (“commissioner” includes a person designated by the commissioner). The district states the submitted information was subpoenaed or compiled in an investigation of an educator under section 21.062 of the Education Code. The district indicates the information was submitted to the TEA in response to a subpoena issued by the commissioner. Based on the district’s representations and our review, we agree the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.062(d) of the Education Code.²
