

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 24, 2020

Mr. Juan A. Roque
Assistant District Attorney
Bexar County
101 West Nueva Street
San Antonio, Texas 78205

OR2020-09080

Dear Mr. Roque:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 818507 (File# 8214 (R002556)).

Bexar County (the "county") received a request for a specified investigative report and proposed suspension related to a county employee. You claim some of the submitted information is not subject to the Act pursuant to section 552.002(d) of the Government Code. We have considered the submitted argument and reviewed the submitted information.

The Act is applicable only to "public information." *See* Gov't Code §§ 552.002, .021. Section 552.002(a) of the Government Code reads as follows:

(a) In this chapter, "public information" means information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). However, you assert portions of the requested information are not subject to the Act pursuant to section 552.002(d) of the Government Code, which provides:

“Protected health information” as defined by Section 181.006, Health and Safety Code, is not public information and is not subject to disclosure under this chapter.

Id. § 552.002(d). Section 181.006 of the Health and Safety Code, in relevant part, states:

[F]or a covered entity that is a governmental unit, an individual's protected health information:

(1) includes any information that reflects that an individual received health care from the covered entity[.]

Health & Safety Code § 181.006(1). Section 181.001(b)(2)(A) defines “covered entity,” in part, as any person who:

for commercial, financial, or professional gain, monetary fees, or dues, or on a cooperative, nonprofit, or pro bono basis, engages, in whole or in part, and with real or constructive knowledge, in the practice of assembling, collecting, analyzing, using, evaluating, storing, or transmitting protected health information. The term includes a business associate, health care payer, governmental unit, information or computer management entity, school, health researcher, health care facility, clinic, health care provider, or person who maintains an Internet site[.]

Id. § 181.001(b)(2)(A). You do not assert the county is a covered entity and you have not explained how the information at issue consists of protected health information. Thus, we find you have failed to demonstrate the applicability of section 181.006 of the Health and Safety Code. Accordingly, we find the information at issue is subject to the Act, and the county must release it unless it falls within an exception to public disclosure under the Act. *See* Gov't Code §§ 552.006, .021, .301, .302.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”¹ *Id.* § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976).

¹ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). We note, however, the public generally has a legitimate interest in information that relates to public employment and public employees. *See* Open Records Decision Nos. 542 (1990); 470 at 4 (1987) (public has legitimate interest in job qualifications and performance of public employees); 444 at 5-6 (1986) (public has legitimate interest in knowing reasons for dismissal, demotion, promotion, or resignation or public employees); 432 at 2 (1984) (scope of public employee privacy is narrow). We note the fact that a public employee is sick is public information, but specific information about illnesses is excepted from disclosure. *See* ORD 470 at 4. Upon review, we find the information we have marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the county must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The county must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
