Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2020-09166

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 819372 (ORR# EBax1).

The Corpus Christi Police Department (the "department") received a request for two specified incident reports. We understand the department will redact dates of birth of members of the public pursuant to the previous determination issued in Open Records Letter No. 2016-00831 (2016).¹ The department states it is releasing some of the requested information. The department claims some of the submitted information is excepted from disclosure under section 552.152 of the Government Code.² We have considered the exception the department claims and reviewed the submitted representative sample of information.³

¹ Open Records Letter No. 2016-00831 authorized the department to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

² Although the department also raises section 552.101 of the Government Code, the department has not provided any arguments to support this exception. Therefore, we assume the department has withdrawn its claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

³ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

The department seeks to withhold the identifying information of undercover officers under section 552.152 of the Government Code. Section 552.152 provides,

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. The department represents the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identities of the undercover officers within the information at issue. Accordingly, the department must withhold the names and identification numbers of the undercover officers, which it has marked, under section 552.152 of the Government Code.

We note some of the remaining information is subject to section 552.130 of the Government Code.⁴ Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department must withhold the names and identification numbers of the undercover officers, which it has marked, under section 552.152 of the Government Code. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ⁴ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
