Ms. Sandy Slade
Public Information Officer
Leander Independent School District
P.O. Box 218
Leander, Texas 78646

OR2020-09248

Dear Ms. Slade:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 817508 (Ref. No. 2508).

The Leander Independent School District (the "district") received a request for all contracts involving certain types of services for a specified school year. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would "harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find you have failed to demonstrate the applicability of section

552.104 to the information at issue. Therefore, the district may not withhold any portion of the submitted information under section 552.104 of the Government Code.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country.¹ See Gov't Code § 552.130. Accordingly, the district must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

We note some of the submitted information appears to be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; see Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the district must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The district must release the remaining information; however, any information subject to copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Blake Brennan
Assistant Attorney General
Open Records Division
