Dear Ms. Rowe:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 818469 (TABC PIR Reference No. R002143-010220)

The Texas Alcoholic Beverage Commission (the "commission") received a request for information pertaining to a specified incident and a specified place of business. You state you will release information to the requestor, including basic information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). By its terms, section 552.108 applies only to a law enforcement agency or a prosecutor. We note the commission's Enforcement Division is a law enforcement agency. *See Alco. Bev. Code* §§ 5.14 (commission may commission inspectors with police powers to enforce Alcoholic Beverage Code), .36 (commission shall investigate violations of Alcoholic Beverage Code and other laws relating to alcoholic beverages), .361 (commission shall develop risk-based approach to enforcement). The commission states Exhibit C pertains to an active criminal investigation by the commission's Enforcement Division. Based on this representation, we conclude the

release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to Exhibit C.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See Gov't Code* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the Exhibit D pertains to closed criminal investigations by the commission's Enforcement Division that did not result in convictions or deferred adjudications. Based on this representation, we agree section 552.108(a)(2) is applicable to Exhibit D.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which you state the commission will release, the commission may withhold Exhibit C under section 552.108(a)(1) of the Government Code and may withhold Exhibit D under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
