Dear Ms. Bass-Domel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 827233.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. You state you will redact dates of birth of members of the public pursuant to the previous determination issued in Open Records Letter No. 2016-21706 (2016).¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

- (a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹ Open Records Letter No. 2016-21706 authorized the sheriff's office to withhold dates of birth of members of the public under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general's decision. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the sheriff's office has not demonstrated any portion of the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect under section 261.201(a)(2). Furthermore, the sheriff's office has not established the information is a report of alleged or suspected abuse or neglect made under section 261.201(a)(1). *See id.* § 261.001(1), (4) (defining "abuse" and "neglect" for purposes of Fam. Code ch. 261). Therefore, the sheriff's office may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
