OR2020-09544

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 826537.

The City of Palmview (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information includes a CR-3 accident report. Here, the requestor is a person listed under section 550.065(c). Although the city asserts section 552.101 of the Government Code in conjunction with common-law privacy, we note a specific statutory right of access prevails over the common law. *See Collins v. Tex Mall, L.P.*, 297 S.W.3d 409, 415 (Tex. App.—Fort Worth 2009, no pet.) (statutory provision controls and preempts common law only when statute directly conflicts with common-law principle). Accordingly, no portion of the accident report may be withheld under section 552.101 of the Government Code on the basis of common-law privacy.

You also assert portions of the accident report are confidential under section 552.130 of the Government Code. Section 552.130 excepts from disclosure information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by an agency of this state or another state or country. *See Gov't Code § 552.130(a)(1)-(2)*. As noted above, a statutory right of access generally prevails over the Act's general exceptions to disclosure. *See ORD 613 at 4*. However, because section 552.130 has its own access provisions, we conclude section 552.130 is not a general exception under the Act. Thus, we must address the conflict between the confidentiality provided under section 552.130 of the Government Code and the right of access provided under section 550.065(c) of the Transportation Code for the accident report. Where information falls within both a general and a specific provision of law, the specific provision prevails over the general. *See Horizon/CMS Healthcare Corp. v. Auld*, 34 S.W.3d 887, 901 (Tex. 2000) ("more specific statute controls over the more general"); *Cuellar v. State*, 521 S.W.2d 211 (Tex. Crim. App. 1975) (under well-established rule of statutory construction, specific statutory provisions prevail over general ones). Section 550.065(c) specifically provides access only to accident reports of the type at issue, while section 552.130 generally excepts motor vehicle record information maintained in any context. Thus, we conclude the access to the accident report provided under section 550.065(c) is more specific than the general confidentiality provided under section 552.130. Accordingly, the city may not withhold any portion of the accident report under section 552.130. Thus, the city must release the CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the submitted video recording contains information subject to section 552.130. You state the city does not have the technological capability to redact the motor vehicle record information from the recording. Accordingly, the city must withhold the submitted recording in its entirety under section 552.130. *See Open Records Decision No. 364 (1983)*.

In summary, the city must release the CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. the city must withhold the submitted recording in its entirety under section 552.130 of the Government Code.
