Re: Request for the dash cam video of named officer during a specified period of time regarding a car accident on 1/13/20

Dear Ms. Heil:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 821100.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. Initially, we note the requestor only seeks video recordings. This ruling does not address the public availability of any information that is not responsive to the request and you are not required to release such information in response to this request. You claim the video recording(s) must be withheld from the requestor in its entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recording. Thus, we agree you must withhold the video recording pursuant to section 552.130 of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/og/memorulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
