

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 31, 2020

Ms. Monica Hernandez
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2020-09877

Dear Ms. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 819327 (Ref. Nos. W2966976-121719, W300302-010920).

The City of San Antonio (the "city") received two requests from different requestors for information pertaining to an outbreak at a specified location.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 81.046 of the Health and Safety Code, which provides, in part:

¹ You state the city sought and received clarification of the requests for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of State Health Services] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under [the Act], and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (c-1), (d), and (f).

Health & Safety Code § 81.046(a)-(b). In Open Records Decision No. 577 (1990), this office concluded that any information acquired or created during an investigation under chapter 81 of the Health and Safety Code is confidential and may not be released unless an exception set out in the statute applies. *See id.* § 81.046(b)-(d), (f); ORD 577. You state the submitted information was created by the city's Health Department during an investigation of food-borne illness under chapter 81 of the Health and Safety Code. Based on your representations and our review, we agree section 81.046 governs the release of this information. Additionally, you state none of the release provisions of section 81.046 are applicable in this instance. Accordingly, we determine the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Meredith L. Coffman
