Ms. April M. Liwanag
Assistant General Counsel
Texas Board of Nursing
333 Guadalupe Street, Suite 3-460
Austin, Texas 78701

OR2020-10042

Dear Ms. Liwanag:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 819552 (BON Ref. No. 20-12).

The Texas Board of Nursing (the "board") received a request for information pertaining to a specified investigation of a named nurse. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 301.466 of the Occupations Code, which provides the following:

(a) A complaint and investigation concerning a nurse under this subchapter and all information and material compiled by the board in connection with the complaint and investigation are:

(1) confidential and not subject to disclosure under [the Act]; and

(2) not subject to disclosure, discovery, subpoena, or other means of legal compulsion for release to anyone other than the board or board employee or agent involved in license holder discipline.

(b) Notwithstanding Subsection (a), information regarding a complaint and an investigation may be disclosed to:

- (1) a person involved with the board in a disciplinary action against the nurse;
- (2) a nursing licensing or disciplinary board in another jurisdiction;
- (3) a peer assistance program approved by the board under Chapter 467, Health and Safety Code;
- (4) a law enforcement agency; or
- (5) a person engaged in bona fide research, if all information identifying a specific individual has been deleted.

(c) The filing of formal charges against a nurse by the board, the nature of those charges, disciplinary proceedings of the board, and final disciplinary actions, including warnings and reprimands, by the board are not confidential and are subject to disclosure in accordance with [the Act].

Occ. Code § 301.466. Section 301.466 only applies to information created or compiled by the board as part of an investigation by the board. You state, and the submitted documents reflect, the submitted information was created or compiled by the board as part of an investigation. You inform us Attachment B includes the formal charging document and corrective action taken in the instant case. You state, pursuant to section 301.652(a)(2) of the Occupations Code, a corrective action is not a disciplinary action. *See id* § 301.652(a)(2); *see also* 22 TAC § 213.32(1). Pursuant to section 301.652(a)(3) of the Occupations Code, the corrective action is subject to disclosure to the same extent as a complaint. Occ. Code § 301.652(a)(3). You further state the submitted information in Attachment B is not the type of information contemplated by section 301.466(c). Based on these representations and our review, we agree Attachment B is confidential under section 301.466(a) of the Occupations Code. Accordingly, the board must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 301.466(a) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
