Texas Department of Public Safety
P.O. Box 4087

Dear Mr. Sears:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 820266 (PIR # 20-0280).

The Texas Department of Public Safety (the "department") received a request for records pertaining to a specified investigation. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹ We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Family Code chapter 261); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had disabilities of minority removed for general purposes). Thus, the submitted information is confidential under section 261.201. Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.² *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).
