

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 7, 2020

Mr. S. Anthony Safi
Counsel for the El Paso Independent School District
Mounce, Green, Myers, Safi, Paxson, & Galatzan, P.C.
100 North Stanton, Suite 1000
El Paso, Texas 79901-1448

OR2020-10390

Dear Mr. Safi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 818820 (EPISD ORR# W002372-121619).

The El Paso Independent School District (the "district"), which you represent, received a request for personnel records pertaining to the requestor. You state you will release some information. You state the district will redact information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under sections 552.103 and 552.135 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹ The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined that FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of a completed investigation that is subject to section 552.022(a)(1). The district must release the completed investigation pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* Although you assert this information is excepted from disclosure under section 552.103 of the Government Code, this exception is discretionary and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision No. 542 at 4 (1990) (statutory predecessor to section 552.103 may be waived); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the completed investigation may not be withheld under section 552.103 of the Government Code. However, because section 552.135 of the Government Code makes information confidential for purposes of section 552.022, we will consider the applicability of this exception to the completed investigation.

Section 552.135 of the Government Code provides, in part, the following:

(a) "Informer" means a student or former student or an employee or former employee of a school district who has furnished a report of another person's or persons' possible violation of criminal, civil, or regulatory law to the school district or the proper regulatory enforcement authority.

(b) An informer's name or information that would substantially reveal the identity of an informer is excepted from [required public disclosure].

Gov't Code § 552.135(a)-(b). Because the legislature limited the protection of section 552.135 to the identity of a person who reports a possible violation of "law," a school district that seeks to withhold information under that exception must clearly identify to this office the specific civil, criminal, or regulatory law that is alleged to have been violated. *See id.* § 552.301(e)(1)(A). Additionally, witnesses and other individuals who provide information in the course of an investigation are not informants for purposes of section 552.135. You assert the information you marked contains identifying information of employees who reported alleged violations of the Code of Ethics and Standard Practices

for Texas Educators, section 247.2 of title 19 of the Texas Administrative Code. Upon review, we conclude the district must withhold the information we marked under section 552.135 of the Government Code. However, we find you have not demonstrated any of the remaining information at issue identifies an informer for purposes of section 552.135. Therefore, the district may not withhold any of the remaining information on that basis.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1).³ *See id.* § 552.117(a)(1); *see also id.* § 552.024(a-1). Section 552.117 is applicable to cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (statutory predecessor to section 552.117 not applicable to cellular telephone numbers provided and paid for by governmental body and intended for official use). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Accordingly, if the individual whose information is at issue timely requested confidentiality pursuant to section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the cellular telephone number may only be withheld if a governmental body does not pay for the cellular telephone service.

In summary, the district must withhold the information we marked under section 552.135 of the Government Code. To the extent the individual whose information is at issue timely requested confidentiality pursuant to section 552.024 of the Government Code, the district must withhold the information we marked under section 552.117(a)(1) of the Government Code; however, the cellular telephone number may only be withheld if a governmental body does not pay for the cellular telephone service. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open

³ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
