Dear Ms. Harden:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 820878 (OGC# JN0029).

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a specified incident involving a named inmate. You state the department will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.134 of the Government Code. We have considered your arguments and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.134(a) relates to an inmate of the department and provides the following:

Except as provided by Subsection (b) or by Section 552.029 [of the Government Code], information obtained or maintained by the [department] is excepted from [required public disclosure] if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

---

<sup>1</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.134(a). Section 552.134 is explicitly made subject to section 552.029, which provides, in relevant part, the following:

Notwithstanding Section . . . 552.134, the following information about an inmate who is confined in a facility operated by or under a contract with the [department] is subject to required disclosure under Section 552.021:

...

(8) basic information regarding the death of an inmate in custody, an incident involving the use of force, or an alleged crime involving the inmate.

*Id.* § 552.029(8). On review, we agree the submitted records constitute information about an inmate for purposes of section 552.134. However, the records contain information that concerns an incident involving the use of force. Thus, the department must release basic information concerning this incident. Basic information includes the time and place of the incident, names of inmates and department officials directly involved, a brief narrative of the incident, a brief description of any injuries sustained, and information regarding criminal charges or disciplinary actions filed as a result of the incident. The department must withhold the remaining information pursuant to section 552.134 of the Government Code.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Matthew Taylor  
Assistant Attorney General  
Open Records Division

<sup>2</sup> As our ruling is dispositive, we do not address the remaining argument of the department to withhold this information.
