

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

Mr. Robert G. Schleier, Jr.
Counsel for the City of Kilgore
Law Office of Robert G. Schleier, Jr., P.C.
116 North Kilgore Street
Kilgore, Texas 75662

OR2020-10526

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 820623.

The City of Kilgore (the "city"), which you represent, received a request for information pertaining to a specified accident. The city states it has released some of the requested information, but claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note the submitted information includes body worn camera recordings of city police officers. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). The requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach these recordings and the city is not required to release them. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). The city informs us it is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. The city also states the information it has marked under section 552.318 was provided to the city by a 9-1-1 service supplier. Based on these representations, we agree the city must withhold the information it has marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

In summary, because the requestor did not properly request the submitted body worn camera recordings pursuant to chapter 1701 of the Occupations Code, our ruling does not reach the body worn camera recordings at issue and the city is not required to release them. The city must withhold the information it has marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

James L. Coggeshall
